

cent decisions affecting the mineral industry. A gasoline engine air compressor. Questions and answers. Patents relating to mining and metallurgy.

Núm. 12. Setiembre 17.

SUMARIO.—Metric system German commercial Bureau. A Japanese coal mine. British steel production in 1898. New publications. Books received. Estimation of tin in salts of tin, by *A. Froenkel* and *J. Fasal*. Iron ores of India. Keeping iron mine accounts. A new method of case-hardening steel. John Daniell. The metallic output of Ontario in 1898. The building and road stones of Massachusetts, by *C. L. Whittle*. The use of magnetic instruments in exploring for iron ore, by *G. Nordeustrom*. Refining petroleum with silicate of soda. New Cripple Creek railroads. Abstracts of official reports. Recent decisions affecting the mining industry. The Jeffrey double strand scraper conveyor, The Dapto smelting works in Australia, by *G. H. Blackmore*. Questions and an-

swers. Patents relating to mining and metallurgy.

Núm. 13. Setiembre 24.

SUMARIO.—Hartfeld again Gold in German East Africa. A Colorado Memorial. The Homestake mine report. Blast-furnace gas in gas engines. The Providence-Champion case, by *R. W. Raymond*. Mine cost accounts. New publications. Books received. Correspondence. American Institute of Mining Engineers. Coal and iron in Eastern China, by *C. D. Jameson*. Clay resources of Alabama and the industries dependent upon them, by *Eugene A. Smith*. Sault Ste. Marie canal traffic. Note on the influence of temperature in gold amalgamation, by *Ernest R. Woakes*. A silver plating combination. A pocket assay balance. The clay and stone resources of South Dakota, by *J. E. Todd*. Abstracts of official reports. Recent decisions affecting the mining industry. Questions and answers. Patents relating to mining and metallurgy.

REVISTAS

RECIBIDAS POR

EL INSTITUTO DE INJENIEROS

DURANTE EL MES DE OCTUBRE DE 1898

DE CHILE

Boletín de Higiene i Demografía, Nos. 8 i 9.....
Boletín de la Sociedad de Fomento Fabril,
No. 9

Santiago

Id.

Anales de la Universidad, Nos. de Setiembre i Octubre	Santiago
Boletín de la Sociedad Nacional de Agricultura, Nos. 25, 27 i 28.....	Id.
Boletín de la Sociedad Nacional de Minería, No. 21.....	Id.
Revista Médica de Chile, Nos. 9 i 10.....	Id.

DE AMÉRICA

La Ingeniería, No. 14.....	Buenos Aires
Boletín de la Union Industrial Argentina, No. 358.....	Id.
